

Administrative Information Management System (AIMS)

Update Your Contact Information

Have you updated your contact information?

If you are one of the approximately 30,000 people who have already updated your contact information, then please accept our heartfelt thanks! If you have not updated your information yet, please review the following instructions.

To benefit from the Administrative Information Management System, it is important for all employees to update their contact information on Gateway Online, adding an email of your choice and a mobile and/or landline phone number by **August 1, 2019**.

For all employees working in the former RHQR go to:
